SUBJECT: **John Scott Highway Improvement Project**
WORK to RESUME

STEUBENVILLE – Beginning Monday April 7, 2014 work will resume on the John Scott Highway Improvement Project. The Contractor will be onsite to begin work on the upgrading of the traffic signals, the replacement of guardrail and new overhead signage.

Traffic will be maintained with single lane closures, however motorists are advised to drive slowly thru construction zone and be aware of daily traffic pattern changes.

Construction bids were received in May of 2013 and the contract was awarded to Shelly and Sands, Inc of Rayland, Ohio for a total contract cost of \$1,663,619.00.

This project is being funded with a combination of Federal Transportation Funds through the Brooke Hancock Jefferson (BHJ) Metropolitan Planning Commission, Ohio Department of Transportation, Ohio Public Works Commission and the City 0.7 percent income tax.

The project is scheduled to be completed late June 2014.
