DATE: July 25, 2014

SUBJECT: **Columbia Gas Market St Area Project
RESUME WORK**

STEUBENVILLE – Beginning on Monday, July 28, 2014 Columbia Gas Contractors will resume work on the next phase of the Downtown and South End Streets. The work will resume on South Street from Seventh Street to State Route 7.

Traffic will be maintained, however motorists are advised to be aware of periodic lane closures and changing traffic patterns during this time. Motorists are advised to expect increased delays and drive cautiously through the work zone.

This closure is needed in order for Columbia Gas and their Contractor to perform new main and service line installations. This work is part of Columbia Gas of Ohio main and service line upgrades in the south end portion of the City.
