FROM: Michael Dolak, City Engineer

DATE: September 29, 2014

SUBJECT: **2014 City Street Hot-Mix Resurfacing Improvements**

STEUBENVILLE - The City of Steubenville will begin the 2014 City Street Hot-Mix Resurfacing Improvement Project starting Tuesday, September 30, 2014 at 7:00 A.M. and continuing throughout the week. The initial work will involve the removal of the existing asphalt surface using a cold milling process and then placing the asphalt intermediate course. Traffic will be maintained, however motorists are advised to allow extra time for travel and use alternate routes to avoid delays. After preparation, a new hot-mix asphalt surface will be placed a few weeks later.

Streets included in this phase of the operation will be:

STREET NAME	FROM	TO
<b>BRAYBARTON BLVD</b> <b>TERRI AVENUE</b> <b>LINDA WAY</b>	Sunset Blvd Braybarton Blvd Terri Avenue	Including Braybarton Circle West Terminus South Terminus

The Project Streets will be posted "NO PARKING" at least one day in advance. If vehicles are left on the street, vehicles will be towed and owners will be responsible for towing and storage fees. We apologize for any inconvenience.

Your anticipated patience and cooperation is greatly appreciated during construction. If you have any questions or concerns please contact Mr. Michael Dolak, City Engineer at (740) 283-6000 Ext. 3303.

The City has contracted with Shelly & Sands, Inc. of Rayland, Ohio for this project and is funded using the 0.7% City Income Tax Revenue and the Ohio Public Works Commission Funds.
