FOR IMMEDIATE RELEASE

TO: City Manager WCDK Radio
Herald Star Health Dept.
WEIR Radio Intelligencer
WTOV9 WTRF7

FROM: Steubenville Water Department **DATE: June 6, 2018**

SUBJECT: Boil Advisory Continued, outage expected for June 12 & 13, 2018.

The City of Steubenville, Water Department is continuing a boil advisory for Bellview Blvd., from Lawson Avenue to Ohio St. The boil advisory is being issued because of a water break that occurred the morning of June 5, 2018.

Temporary repairs have been made, but it is now necessary to install a new valve in order to make permanent repairs. This work will not be undertaken until June 12 and could run into the 13th as well.

Once repairs are complete, a sample will be collected and taken for lab analysis. Once results indicate there is no contamination, the advisory will be lifted. Until that time, water used for consumption (Drinking, tooth brushing, ice, etc.) should be boiled vigorously prior to consumption.

The water department regrets any inconvenience this will cause. If there are questions, please call the Treatment Plant at (7840) 283-6041.

Thank you,
Steubenville Water
