FROM: Steubenville Water Superintendent

DATE: March 13, 2019

SUBJECT: Boil Water Advisory

STEUBENVILLE: A Boil Water Advisory has been issued for all residents of Scenic Dr., Westwood Dr., and Fellows Dr. to include 298 and 299 Cunningham Lane. This Boil Advisory is necessary due to complications during Fire Hydrant replacements.

Until further notice, consumers should vigorously boil, for at least one minute, any water used for drinking (including water used to make ice), cooking or oral hygiene.

This advisory has been issued as a result of a water line break. The Steubenville Water Department is collecting samples in the area to be analyzed. Once sample results are satisfactory, a press release will be issued to remove the Boil Water Advisory.

If there are any questions, please call 740-283-6041.
