SUBJECT: Boil Water Advisory

STEUBENVILLE: A Boil Water Advisory has been issued for Rosslyn Blvd. to include the 400 hundred block of Kingston Ave. and Canterbury Blvd.

Until further notice, consumers should vigorously boil, for at least one minute, any water used for drinking (including water used to make ice), cooking or oral hygiene.

This advisory has been issued as a result of a valve repair in your area. The Steubenville Water Department is collecting samples in the area to be analyzed. Once sample results are satisfactory, a press release will be issued to remove the Boil Water Advisory.

If there are any questions, please call 740-283-6041.
