Utility Office	Engineering			

Steubenville:

The Steubenville water department is issuing a conservation order for all customers of the Steubenville Water system.

Due to difficulties at the Water Plant, we are having difficulties keeping up with demand. All customers are asked to conserve water to the greatest extent possible until further notice.

Any non-essential use should be eliminated in order for the system and storage tanks to be refilled as soon as possible.

Your cooperation will be appreciated.

Thank you,
Steubenville Water
