SUBJECT: **ONE LANE ROAD _ AEP WORK on UNIVERSITY BLVD**

STEUBENVILLE – Beginning on Tuesday, May 14, 2019 traffic on University Blvd between Franciscan Way West and Pershing Avenue will be restricted to one lane through the use of flaggers starting at 8:00 A.M. Woodlawn Road at University Blvd will have limited access. This work is all weather permitting.

Motorists can expect periods of delay due to the need to periodically stop traffic. Motorists are advised to use alternate routes to avoid delays.

This closure is needed in order for AEP to replace a power pole along University Blvd near the intersection of Woodlawn Road.
