SUBJECT: **TRAFFIC PATTERN CHANGES - LANE RESTRICTIONS_ UTILITY WORK on MALL DRIVE**

STEUBENVILLE – Beginning on Monday, July 1, 2019 at 7:00 AM and continuing throughout the week traffic on Mall Drive between John Scott Highway and Fort Steuben Drive will have periodical lane closures. Motorists are advised to use caution and be aware of traffic pattern changes. This work is all weather permitting.

Motorists can expect periods of delay due to the need to periodically stopping traffic. Motorists are advised to use alternate routes to avoid delays.

These traffic pattern changes and lane closures are needed in order for a contractor to perform utility work for the new development along Mall Drive.
