FROM: James Jenkins, Water Superintendent

DATE: June 14, 2019

SUBJECT: Street Closure

STEUBENVILLE – On June 14, 2019 Contractors will have Slack Street from Railroad Avenue to S.7th Street closed. This closure is necessary to allow contractors to make repairs to the main water line and to replace a 6 inch valve. Motorists are advised to use extreme caution and allow extra time for their travels in these areas. No water customers will be affected by this work.

We thank the residents of Steubenville for their patience and understanding throughout this very important project as we work to improve our Water System.
