FOR IMMEDIATE RELEASE

FROM: Michael Dolak, City Engineer
DATE: July 3, 2019
SUBJECT: **Sunset Blvd and Lovers Lane Intersection Improvements
PHASE 2 WORK SET TO BEGIN ON July 8**

STEUBENVILLE – WORK Continues on the Lovers Lane and Sunset Boulevard Intersection Improvement Project. This project includes the lengthening of the left turn lane on Sunset Blvd. and the addition of right turn lanes on Sunset Blvd. as well as the Lovers Lane Connector.

The second phase of construction work is on the south side of Sunset Blvd. from Starkdale Road to Yale Place. The work will consist of roadway widening including new curb and sidewalks.

Lane closures are anticipated, drivers should be alert and prepared for lane reductions and slower speeds through construction area. This phase of work is anticipated to be complete by October of 2019.

This phase of work will also involve closing Bryden Road at Sunset Boulevard. Bryden Road will be closed to ALL traffic at Sunset. Boulevard

Construction bids were received and the contract was awarded to Shelly and Sands, Inc. of Rayland, Ohio for a total contract cost of \$1,821,000.

This project is funded by Federal Highway funds allocated through the Brooke-Hancock- Jefferson Metropolitan Planning Commission, 0.7% City Income Tax Revenue and the Ohio Public Works Commission Funds.

The project is scheduled to be completed by November 2019.

Your anticipated patience and cooperation is greatly appreciated during construction. If you have any questions or concerns please contact Mr. Michael Dolak, City Engineer at (740) 283-6000 Ext. 3303.
