

**Utility Review Board Hearing: May 2019
May 28, 2019**

Account: **Robert Musgrave** **508 Belleview Blvd.**

Dispute: Mr. Musgrave received a bill for 447,000 gallons of consumption totaling \$10,649.91. Mr. Musgrave left for Florida on April 19, 2019 and returned on April 26th to find water running through his ceiling. He states that all his ceilings and floors have to be replaced.

Decision: Since there is still a pending insurance claim for the damage, the board decided to wait until the insurance claim was settled to determine what portion will be covered through them. A final decision will be made then.
