FROM: Michael Dolak, City Engineer

DATE: August 2, 2019

SUBJECT: **2019 City Street Hot-Mix Asphalt Resurfacing Improvement**

STEUBENVILLE – The City of Steubenville will begin the 2019 City Street Hot-Mix Asphalt Resurfacing Improvements starting on Tuesday, August 6, 2019 at 7:00 A.M. and then continuing each day throughout the week; weather permitting. The initial work will involve the partial depth pavement and full depth pavement repairs on Devonshire Road and then on Negley Avenue.

Traffic will be maintained, however motorists are advised to use alternate routes to avoid delays. After preparation, a new hot-mix asphalt surface will be placed a few weeks later.

The Project Streets will be posted "NO PARKING" at least one day in advance. If vehicles are left on the street, vehicles will be towed and owners will be responsible for towing and storage fees. We apologize for any inconvenience.

The Project Streets are as follows:

Negley Avenue	from	Portland Blvd	to	Sunset Blvd
Devonshire Road	from	Richland Street	to	East Terminus
Opal Blvd	from	Braybarton Blvd	to	Whitehaven Blvd

Your anticipated patience and cooperation is greatly appreciated during construction. If you have any questions or concerns please contact Mr. Michael Dolak, City Engineer at (740) 283-6000 Ext. 3303

The City has contracted with NLS Paving, Inc. of St. Clairsville, Ohio to do this project and is funded using the 0.7% City Income Tax Revenue and the Ohio Public Works Commission Funds.
