DATE: December 11, 2019

SUBJECT: S. 7th Street Road Closure

STEUBENVILLE – Today, December 11, 2019 South 7th Street will be closed between Washington Street and Market Street. This closure is necessary for work being performed on water line issues. If anyone should experience water quality issues such as low water pressure, water discoloration, or water loss please contact the Water Filtration Plant at 1-740-283-6041.

Motorists are advised to use extreme caution in this area and to allow more time for their travels. The City of Steubenville water Department would like to thank the residents for their patience as we work through this very difficult valve project.
