SUBJECT: Valve and Line Replacement Phase II, Wilshire Blvd

STEUBENVILLE – Tomorrow December 4, 2019 Contractors will start At the intersection of Wilshire Blvd and Sunset Blvd with excavations in preparations for the new water main line installation. Wilshire Blvd from Cleveland Avenue to Sunset Blvd will be restricted to one lane.

There is no expected water affects from this initial work, however due to the complexity of the Valve and Line replacement project all residents in this area may experience Water Quality Issues such as Loss of Water, Low Pressure, and/or Water Discoloration. If you experience any of these conditions residents are asked to call the Water Filtration Plant at 740-283-6041.

We thank the residents of Steubenville for their patience and understanding throughout this very important project as we work to improve our Water System.

Motorists and residents that travel in this area are advised to use extreme caution with in the work zones. Please allow extra travel time as delays are expected throughout the project.
