SUBJECT: Valve and Line Replacement Phase II, Braybarton Blvd

STEUBENVILLE – On January 6, 2020 Contractors will begin final tie-ins to complete the new water line installation on Braybarton Blvd. This portion of the project is expected to start at 7am and will be completed late afternoon. Residents in this area may experience Water Quality Issues such as Loss of Water, Low Pressure, and/or Water Discoloration. If you experience any of these conditions residents are asked to report such condition to the Water Filtration Plant at 740-283-6041. This project may affect residents on Iva Way, Whitehaven Blvd, and Linduff Avenue.

The water department would like to thank the residents of Steubenville for their patience and understanding through out this project and all water issues as we work to improve our water system.

Motorist that travel the area of Braybarton Blvd are advised to use extreme caution with in the work zones. Please allow extra time for travel as delays are expected throughout the project area.
