SUBJECT: Valve and Line Replacement Phase II, Efts Lane

STEUBENVILLE – Starting the week of February 3, 2020 Contractors will resume waterline work on Efts Lane. This work will include completing the final tie in's to connect the side streets to the new water main line. At times residents of Efts lane and immediate area will experience water quality issues such as Loss of Water, Low Pressure, and/or Water Discoloration. If residents experience any of these issues please call the Water Filtration Plant at 740-283-6041. In the event that there is a water loss please look for a boil advisory to follow that work as one will be issued.

We thank the residents of Steubenville for their patience and understanding throughout this very important project as we work to improve our Water System.

Motorists and residents that travel Efts Lane are advised to use extreme caution with in the work zones. Please allow extra travel time as delays are expected throughout the project.
