DATE: January 10, 2020

SUBJECT: Valve and Line Replacement Phase II, Braybarton Blvd

---

**STEUBENVILLE** – On January 13, 2020 Contractors will complete the final tie in for this area. Residents of **Terri Avenue and Linda Way** will be without water for a period of time during this portion of the project. This water outage is scheduled to start at 8am and only last a couple hours. There will be a Boil Advisory issued once work is completed for the areas that experienced no or low water pressure.

The water department would like to thank the residents of Steubenville for their patience and understanding through out this project and all water issues as we work to improve our water system.

Motorist that travel the area of Braybarton Blvd are advised to use extreme caution with in the work zones. Please allow extra time for travel as delays are expected throughout the project area.
