Job Description: Steubenville Fire Department

Firefighter:

Responsibility:

Working under the supervision of a Fire Captain or higher ranking fire personnel, the firefighter is responsible for performing duties in both emergency and non-emergency situations, related to fire protection, emergency medical services, hazardous materials response, and emergency management delivery. Firefighters protect life and property by responding to fire alarms, emergency medical calls, traffic accidents, rescue and other emergency calls. A firefighter is responsible for participating in training and independent study activities, public safety education programs, and is responsible for maintaining fire department apparatus, equipment and facilities. Responsibilities also include performing other related tasks as required and/or assigned.

Typical Tasks:

The tasks listed are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar or related to the position. Firefighters are responsible for performing all tasks as assigned.

- Responsible for following orders and directives from supervising officers.
- Responds to emergency and non-emergency incidents; provides appropriate services as required including emergency rescue and fire suppression; performs search and rescue for trapped or injured persons; performs emergency medical and first aid services as needed.
- Fight fires under departmental procedures and as directed by a fire company officer or higher ranking department officer; connects and lays hose lines, sets ladders and operates fire streams; uses hand and power tools to ventilate and enter burning structures for the purpose of extinguishing fires and to perform search and rescue operations; raises, lowers and climbs ladders to enter structures; performs salvage, clean up and overhaul operations during and after fires to remove hazards and protect property.
- Provides EMS response according to their individual level of certification. Tasks may include but are not limited to; initial patient assessment, cardiopulmonary resuscitation and trauma emergency medical care; prepares patients and assists local Ambulance providers in packaging and loading patients for transport. Currently the Department does not provide EMS service with transport capabilities. In the event that the Department decides to provide EMS with transport services it would be a task that could be required of certain Firefighters within the Department in relation to Certification type and date of hire.
- Responds to a variety of hazardous materials incidents; to perform defensive or offensive activities which will be dependent upon levels of certification in accordance with state and federal regulations; maintains knowledge and training about hazardous materials.
- Participates in specialized rescue operations, including aerial and confined space situations involving the use of rigging and shoring; operates specialized hand and power tools and equipment to rescue victims of vehicle and other accident types.

- Acquires and retains a thorough knowledge of the City, including streets, buildings, water supply, unusual hazards and related items. Studies street and occupancy locations in assigned territory; studies building plans and fire prevention systems in assigned territory.
- Drives fire apparatus and/or operates fire apparatus on emergency calls and at the scene of incidents.
- Cleans and inspects equipment and apparatus after returning from a fire or other emergency incidents.
- Inspects equipment and apparatus daily and notifies superior officer of any maintenance issues.
- Operates numerous types of rescue and fire suppression equipment, and apparatus as necessary; operates, inspects and performs other technical tasks related to maintaining the apparatus, equipment, and facilities.
- Receives and relays fire alarms and calls. Operates radio and other communication equipment. Effectively communicates by voice or by radio with other firefighters and other emergency personnel to relay observations, equipment needs and other relevant information. Communicates with the general public and other City employees during emergency operations, performing community service and public education activities, and answering general questions.
- Under the supervision of a Company officer or a Fire Inspector participates in pre-fire and post-fire analysis; inspection of businesses, buildings, hydrants, and other structures in suppression pre-plan programs.
- Participates in cleaning and maintaining facilities, grounds, equipment and apparatus; ensures that appropriate conditions are maintained at assigned stations; ensures that all equipment and apparatus are in a constant state of readiness for emergency calls.
- Attends training courses; reads and studies assigned materials related to firefighting, fire prevention, and related subjects; participates in drills, demonstrations, and other hands on instructional sessions. Participates in training classes or drills conducted by Department Officers or other assigned personnel. May assist in training new employees as assigned.
- Gives tours of assigned stations, demonstrates fire equipment and apparatus functions, and participates in other educational programs for various groups and the general public pertaining to a variety of life safety topics.
- Participates in periodic fire drills, critiques drill participants on emergency procedures and instructs groups on such procedures.
- Uses department computer equipment to input, review and access records, information and other data. Participates in on-line training activities.
- Maintains required certifications in Firefighting and EMS as required by the Steubenville Fire Department and the State of Ohio, and maintains all other operational skills as trained.
- Maintains a positive working relationship with the public, other City employees, the City administration, and other Fire Department employees.

- May be required to give testimony in legal proceedings and in court.
- May be required to respond to major incidents while off duty; subject to the Department emergency call-out procedure.
- Performs other related job duties and related job tasks as assigned.

Necessary Knowledge, Skills and Abilities:

- Ability to understand and follow written and oral instructions.
- Ability to work well with others.
- Ability to maintain physical condition to the level required to perform assigned duties and responsibilities.
- Ability to perform effectively under stressful and adverse conditions.
- Ability to establish and maintain cooperative working relationships with those contacted during the course of completing assigned duties; including Fire department officers, co-workers, City and other government officials, community groups, and the general public.
- Ability to communicate clearly and concisely, both orally and in writing.
- Ability to keep simple records and prepare reports.
- Possess an aptitude for mechanical work.
- Ability to engage in moderate to strenuous physical activity and work long hours under emotional stress and adverse conditions.
- Willingness to work in outside weather conditions subject to exposure to extremely hazardous conditions and materials.
- Ability to learn and apply standard firefighting, emergency aid, hazardous materials, and fire prevention techniques.
- Ability to climb ladders and work at considerable heights.
- Ability to obtain required certifications in firefighting, emergency care, and other related topics.

Training, Experience, and Requirements:

- Must have met eligibility requirements approved by the Steubenville Civil Service Commission in order to participate for the entry level firefighter exam.
- Must have been selected from the eligibility list for the position of Firefighter with the Steubenville Fire Department.
- Any equivalent combination of experience and training which provides the knowledge, skills, and ability to perform the required tasks.
- Firefighter I and II certification recognized by the State of Ohio.
- EMS certification at the First Responder Level or higher recognized by the State of Ohio. Firefighters hired after January 1, 2012 will be required to complete and maintain a minimum EMS certification level of EMT.
- Active CPR certification, AHA Healthcare provider level.
- Any other certification required by the Department to perform the duties of Firefighter.
- Possession of a valid Driver's license.
