SUBJECT: **UPDATE:**Valve and Line Replacement Phase II, Wilshire Blvd – Cleveland Avenue

**STEUBENVILLE** – March 4, 2020 a final tie-in for the Cleveland Avenue water line to the Wilshire Avenue line will be completed. This work will require water to be shut off to areas around this work zone. Residents in this area may experience Water Quality Issues such as Loss of Water, Low Pressure, and/or Water Discoloration which is normal when this type of work is being completed. If you experience any of these conditions residents are asked to call the Water Filtration Plant at 740-283-6041.

We thank the residents of Steubenville for their patience and understanding throughout this very important project as we work to improve our Water System.  
Motorists and residents that travel in this area are advised to use extreme caution with in the work zones. Please allow extra travel time as delays are expected throughout the project.

**This work was originally scheduled for today but was cancelled due to weather and pushed back until tomorrow March 4, 2020.**
