DATE: April 29, 2020

SUBJECT: Linduff Avenue from Powell Avenue to Sunset Blvd (Valve Replacement Project)

STEUBENVILLE – Tomorrow April 30, 2020 Contractors will begin work to replace a main line water valve at the intersection of Linduff Avenue and Sunset Blvd. This work is set to begin on April 30th and continue thru May 4th between the hours of 7am to 5pm, weather depending. During this work a section of Linduff Avenue from Powell Avenue to Sunset Blvd will be closed to all traffic at times to allow work to be completed. A boil Advisory will be issued upon the completion of the work in the areas that experience water loss and areas that the water pressure falls below 20 PSI.

Residents in the 2300 Block of Chestnut Street and the 100 block of Linduff Avenue may be without water periodically through the course of this work. Residents in the surrounding area may also experience water Quality Issues such as Loss of Water, Low Pressure, and Water Discoloration. If you experience any of these conditions Residents are asked to call the Water Filtration Plant with any questions or concerns at 740-283-6041.

We thank the residents of Steubenville for their patience and understanding throughout this very important project as we work to improve our Water System.

Motorists are advised to allow extra time for their travels in the affected area.
