SUBJECT: Lane closure Lovers Lane

STEUBENVILLE – On Thursday January 28, 2021 from 7:30 AM to 3 PM traffic on Lovers Lane will be reduced to one lane at the intersection of Lovers Lane and Teresa Drive for a sewer video inspection. Through the use of flaggers traffic will be maintained, however we advise all traveling public to use alternate routes when possible to avoid delays while the traffic is reduced to one lane. This lane closure is needed in order for the City of Steubenville Wastewater Department to perform sewer video inspection on the city's sewers. The additional day is needed to continue video inspection and allow for cleaning of the city sewer line. The City of Steubenville Wastewater Department thanks our residents and the traveling public in advance for their support as we endeavor to maintain our sewer system.
