SUBJECT: Valve Replacements – N. 4<sup>th</sup> Street & Dock Street

---

**STEUBENVILLE** – Thursday October 14, 2021 city contractors will begin preparatory excavations at the intersection of North 4<sup>th</sup> Street and Dock Street. These excavations will extend into Friday October 15, 2021 and will end Monday October 18, 2021 after work to replace 4 main line valves at this intersection is complete. Thursday October 14<sup>th</sup> and Friday October 15<sup>th</sup> motorists are advised that lane restrictions with traffic pattern changes will be present through this intersection. On Monday October 18, 2021 the intersection of North 4<sup>th</sup> Street and Dock Street will be closed to all traffic for completion of the valve replacements. This work is part of the Phase II Waterline and Valve Replacement Project.

Water customers in the area can expect water quality issues from this work. Water Quality issues can include discolored water, loss of water pressure, and loss of water. If residents experience any of these conditions or have questions, please call the Filtration Plant at 740-283-6041.

The City of Steubenville Water Department would like to thank the residents in advance for their patience and understanding as we continue to improve the water system.
