SUBJECT: Valve Replacements – Preston Road

---

**STEUBENVILLE** – Wednesday October 13, 2021 City Contractors will be replacing a 6-inch main line valve on Preston Rd. Preston Road will be closed to all traffic from Lovers Lane to Pembroke Road. This is part of the Phase II Waterline and Valve Replacement Project. This work will take place from 7am to 4pm or until work is completed.

Residents in the area can expect water quality issues from this work. Water Quality issues can include discolored water, loss of water pressure, and loss of water. If residents experience any of these conditions or have questions, please call the Filtration Plant at 740-283-6041.

Motorist that travel Preston Road should alternate travel routes.

The City of Steubenville would like to thank the residents in advance for their patience and understanding as we continue to improve the water system.
